

**COVID 19  
SUGGESTED GUIDELINES  
FOR THE 2022 BASEBALL/SOFTBALL SEASON**

# LET'S CONTINUE TO SAFELY GET BACK ON THE FIELD

- Follow local & state health guidelines at all times.
- Communicate with your league members on guidelines prior to the start of your season and throughout the 2022 season.
- Make modifications for scheduling of games and practices to meet guidelines.
- Ensure that your charter & insurance are current for 2022 prior to the start of any activities.
- Always check for updates online from local & state health officials, as well as from Babe Ruth League Headquarters.
- Check in with District & State Commissioners for updates on local 2022 Tournament Trail.

# 2022 LOCAL LEAGUE PROGRAM REQUIREMENTS

- All restrictions that are imposed by local & state officials must be followed, with no exceptions.
- Notify all participants and volunteers of the changes being implemented in accordance with local & state guidelines.
- Local leagues must be chartered & insured before the start of any practices or games.
- Make necessary changes at the park to meet all guideline changes provided by the local & state officials.
- Review suggested Babe Ruth League Guidelines on any social distancing be required for game activities.
- Establish a point of contact for any person wishing to advise a League Official of guidelines not being followed, and steps for the league to notify the person(s) or team that is involved.

# 2022 SEASON CHARTERING & INSURANCE

## Leagues already chartered for 2022:

Can adjust local league team counts thru July 1<sup>st</sup>, 2022 (known as “Add/Drop”).

## Leagues not yet chartered for 2022:

Must not hold any practices, games or league activities until charter & insurance is approved for the 2022 Season.

Access local league portal to complete the charter & insurance.

Once completed, the league can submit for review by Babe Ruth League Headquarters.

Once reviewed & approved, the league admin is notified to go and make payment via e-check.

*Please note that insurance becomes effective the day after payment is made. If you print out your invoices for your charter fees and insurance and mail in your payments for processing, your insurance is effective the day after postmark.*

*Leagues that choose not to have a season, or who are not permitted by local & state health officials to have a season, are recommended to charter & insure one (1) Major team for the 2022 Season. This will allow your league to still have insurance for league operations through January 31, 2023. Leagues that have chartered & insured but failed to have a season, may reduce team counts back to one (1) Major team in each of the age divisions that they had chartered. A credit will be applied towards the league's 2023 charter fees; however, insurance payments will be returned via a check from K&K Insurance to the league. Leagues should complete the “Add/Drop” and submit no later than July 1, 2022. If you have any questions, please contact Babe Ruth League Headquarters at 800-880-3142 Monday – Friday 9am-5pm ET.*

# 2022 WORLD SERIES

Be sure to join us this summer at any of our 17 premiere World Series Events!

All of our leagues across the country are revved up for a great 2022 season and ready to take their shot at Babe Ruth World Series greatness! Here at BRL HQ, we are working tirelessly to create events that continue to be the gold standard, and are also safe for everyone involved. We simply can't wait to welcome you to another year of amazing World Series events.
