

2011 Approved Composite Barreled Bats

(Updated January 28, 2011)

Composite-barreled Bats (2¼" barrels) that meet the bat performance factor (BPF) standard, and the accelerated break in (ABI) procedure, are listed below. This list may have more models added to it as more bats are tested. These bats are the only composite-barreled baseball bats that are permitted to be used in Cal Ripken Baseball, a Division of Babe Ruth League, Inc., as of January 28, 2011, when this list was last updated.
