A MESSAGE FROM PRESIDENT STEVEN TELLEFSEN

"We at Babe Ruth Inc. are pleased to present to you the annual vendor's catalog. This catalog will be used as a way to pass down information to our leagues and at the same time establish a great way of communication between our leagues and each of our sponsors. Babe Ruth League Inc. works very hard to satisfy all of our leagues needs and we are very pleased with the "all-star" caliber team of sponsors we have behind us. Some of the best and most recognized names in the industry have helped support Babe Ruth which in turn makes it easier for Babe Ruth to support our leagues. It is important that our leagues support our sponsors to complete the circle and continue the success we have had in the past and hope to have for decades to come. The following pages will give you a great representation of who our sponsors are and what they have to offer. From equipment to insurance our sponsors have what you need"

NEW ITEMS:

With our new workshop in place, Babe Ruth League Headquarters has the equipment to produce top quality flags and banners. All production processes are completed at home plate, which results in great savings to our membership. Our custom flags and banners are a great resource to express team loyalty, promote upcoming events and tournaments, as well as pay tribute to sponsors. Parents will definitely want to take advantage of the special 5-foot action banner on which they can feature their son or daughter. Use our designs or submit your own artwork to create a customized flag/banner to proudly display at your ballpark or to retain as a keepsake. For further details, please refer to the Babe Ruth League Promotional Catalog & Product Guide.

There is now a new option for wearing the official Babe Ruth League emblem. Babe Ruth League, Inc. has approved a modified version of the shoulder emblem to be worn on headwear. This option makes it easier for players, parents and coaches because the headwear comes to you with the emblem already attached. You do not have to sew it yourself. You may choose any Major League Baseball or Minor League Baseball replica style and request it with the appropriate Babe Ruth League emblem.

BABE RUTH LEAGUE BASEBALL COACHES

Go Coach Baseball

Get your players from the dugout into practice activities and game situations quickly with Go Coach Baseball, developed by the American Sport Education Program (ASEP) and endorsed by Babe Ruth League, Inc.

Go Coach Baseball is ideal for youth baseball coaches (especially those less experienced) and first-time coaches seeking advice on teaching key baseball skills and organizing practices. More experienced coaches will also find the app valuable—especially the drill section—as will parents of players wanting to assist their kids in practicing skills.

Go Coach Baseball features

- content drawn from ASEP's *Coaching Youth Baseball* book;
- 32 video clips and 11 animations demonstrating 34 skills and 26 drills to organize and run your practices;
- an optional slow-motion video setting (requires OS 3.2 and newer) that allows you to view every detail of the skills and drills being performed;
- a Favorites feature that allows you to save skills, drills, and video clips in one central folder—a great tool for planning and organizing activities for your next practice; and
- supplemental coaching tips and advice, safety guidelines and checklists, and guidance on season and practice plans to help you manage team activities beyond the Xs and Os.

COACHES ARE THE KEY TO A POSITIVE SPORT EXPERIENCE

At Babe Ruth League, we believe there is no one single action that can have more of a positive impact on our players than improving the quality and knowledge of managers and coaches. Managers and coaches are the ones who spend the most time interacting with participants and the ones who can make a child's experience in youth sports fun and memorable. Babe Ruth League believes that effective youth coaches are properly trained to focus on children's baseball and softball experiences and less on winning games.

The Babe Ruth League Coaches Education Program

To provide this training, Babe Ruth League and Ripken Baseball have partnered with the American Sport Education Program (ASEP) to deliver online coaching courses specifically for Babe Ruth Baseball, Cal Ripken Baseball, and Babe Ruth Softball managers and coaches:

ADVANCED BASEBALL AND SOFTBALL COURSES FURTHER YOUR COACHING SKILLS

You strive to be the best coach you can be. You took your first step by completing the Coaching Youth Baseball: The Ripken Way for Babe Ruth Baseball Coaches or Coaching Youth Softball: The Ripken Way for Babe Ruth Softball Coaches online course to earn your certification. But your coaching education doesn't need to end there.

For even more in-depth information and analyses of the techniques and tactics of baseball, we encourage you to enroll in Coaching Advanced Baseball: The Ripken Way for Babe Ruth Baseball Coaches or Coaching Advanced Softball: The Ripken Way for Babe Ruth Softball Coaches.

Coaching Advanced Baseball: The Ripken Way for Babe Ruth Baseball Coaches

Coaching Advanced Softball: The Ripken Way for Babe Ruth Softball Coaches

Featuring a video introduction from MLB Hall of Famer Cal Ripken Jr. and led by course mentor Billy Ripken, the courses are aimed at improving player performance and in-game decision making:

- 11 units guiding coaches through technical and tactical skill demonstration, evaluation, and correction; traditional and games approach methods of coaching; and season and practice planning
- Nearly 100 video clips, sound bites, on-screen reading, Flash activities, end-of-unit quizzes, and a 40-question test to confirm mastery of the course content
- Sample practice plans, first-aid checklists, and drill sheets can be printed or saved for future reference
- A virtual game where you apply what you've learned to make tactical decisions that affect the outcome of the game.

The advanced courses are the ideal next steps for coaches who have completed the introductory certification courses and for experienced coaches who are new to Babe Ruth League and need Babe Ruth League coaching certification. Register today!

MANNY MACHADO

INTRODUCING THE RAWLINGS PERFORMANCE RATING SYSTEM FOR BATTING HELMETS

The Rawlings Performance Rating™ System is based on pitch speeds at a distance of 60 ft. The NOCSAE standard is aimed at reducing the risk of skull fractures. The standard has not been correlated with reducing the risk of concussions from such impacts. NOCSAE standards require that a batting helmet will stand at least 100 impacts at an oscillated peak velocity level (OV). Helmets also must pass a total probability substrate impact test and ready for use. NOCSAE standard testing method standards involve tests of durability first from a corner at 60 mph at a distance of 2 ft, which is roughly equivalent to an impact resulting from a pitch speed of 90 mph at a distance of 60 ft.
