

Babe Ruth ID CARDS

In each league's "League Kit", your league president was given blank Babe Ruth ID Cards to fill out for your teams. The league president should complete the cards and return to HQ's with a check to process the cards. HQ's will record the ID Cards and put a special lamination on them and return to the league president. Only ID Cards processed by HQ's with the League President's signature are valid.

Need more blank cards or did not receive them in your package? Contact your Service Representative.

The image displays two identical forms side-by-side, one for Baseball and one for Softball. Both forms are titled "Babe Ruth League Official Birth Document".
