

RICHARD ROY
JULY 7, 1936 — AUGUST 22, 2012

Richard “Dick” Roy of Paxton, Massachusetts, graduated from St. John’s High School and Worcester State Teacher’s College.

He worked for the Worcester Public Schools for 37 years. He retired in 1994 as the Assistant Director of Special Education and previously was a special education teacher.

Dick was involved with Babe Ruth Baseball for 37 years, and served as the New England Assistant Regional Commissioner and the Western Massachusetts State Commissioner.

Dick was known for his no-nonsense approach. However, under a somewhat tough exterior was a big heart. A big heart for the participants in the Babe Ruth program.
