

Babe Ruth League, Inc. Regional Award Suppliers

In order to better service our leagues when it came to recognizing their players, volunteers and sponsors, Babe Ruth League, Inc. established authorized regional award suppliers.

Introduced two years ago, this program has received an overwhelmingly positive response by the Babe Ruth membership.

The best way to honor the individuals important to your league is by presenting them with a special award, trophy, plaque, pin or medallion that contains the Cal Ripken Baseball, Babe Ruth Baseball, Babe Ruth Softball or Xtreme Fastpitch logo.

Please note below the authorized regional award suppliers for 2013. Babe Ruth League is proud to be associated with these manufacturers. Our mission to offer our leagues the highest quality awards for the best possible prices. Take pride to the limit by ordering special awards with the official licensed trademark logos of Babe Ruth League, Inc. for the people that make your league program a success season after season.
