PEOPLE ARE TALKING ...

“Just as baseball is the sport of families, there is one baseball family. We ardently believe that the baseball family includes the fans, coaches, administrators and youth players of the Babe Ruth League and at all levels in the many communities where our game is played and enjoyed. Major League Baseball commends all of Babe Ruth Baseball’s participants.”

ROB MANFRED
Commissioner of Baseball

“Babe Ruth League is extremely grateful for the support Major League Baseball provides for all the young baseball and softball players of our country. I would also like to thank all the great volunteers in the Babe Ruth program. It is through their dedicated service to youth that Babe Ruth League is so successful.”

STEVEN TELLEFSEN
President/CEO
Babe Ruth League, Inc.

“It’s our goal that each youngster who plays in the Cal Ripken Baseball Division will not only learn the basics of the game, but will also experience the same level of excitement I felt every day when I put on my uniform and got ready to play. There’s nothing else like it!”

CAL RIPKEN, JR.

In Michael Jordan’s Words ...

“Even now, when people talk about my greatest thrill being the shot against Georgetown to win the NCAA title, I still think to myself that my greatest accomplishment really is the Most Valuable Player Award I got when my Babe Ruth League team won the state baseball championship.”

REGIONS OF BABE RUTH LEAGUE

This map illustrates the eight regions of Babe Ruth League, Inc. Each region is comprised of the state organizations.

The Local League Level

The foundation of the Babe Ruth program is the local league level. Each Cal Ripken Baseball, Babe Ruth Baseball, and Babe Ruth Softball league is organized within a community by a group of select people, who usually serve as a temporary Board until regular elections of officers can be held. State Commissioners help local leagues establish geographical boundaries—which are protected by Babe Ruth League, Inc.—from which to draw their players.

Babe Ruth local leagues operate with the spirit of democracy and with much autonomy. In addition, Babe Ruth League, Inc. provides materials to help leagues establish their own Constitution and By-Laws and plan meetings.

All league officers, managers, coaches, umpires and miscellaneous personnel should be volunteers from within the community and should be individuals who care about teaching the youth of their community the ideals of sportsmanship, fair play, respect for self and others and high morality.

The District Level

A District is an established area within a state that can consist of between five to ten leagues. A District Commissioner is a volunteer who operates the Babe Ruth program within each district according to the Babe Ruth Rules and Regulations, State's Constitution and By-Laws and its policies.

The District Commissioner assists the local leagues whenever needed. He/she holds several meetings per year to keep his/her leagues updated on the special programs as well as possible policy and rule changes. The District Commissioner serves as the local league's liaison with the State Commissioner.

The State Level

The District Commissioner reports to the State Commissioner. Depending on its size and the population of its leagues, a state organization may consist of an entire state or a portion of a state. State Commissioners are volunteers who operate the Babe Ruth program within each state organization according to the Babe Ruth Rules and Regulations as well as any applicable State-level by-laws and policies.

The State Commissioner is responsible for:

- Assisting local league officials when needed or requested by District Commissioners.
- Holding elections for District Commissioners elected by the local leagues within the respective district.
- Holding several meetings per year, including an election meeting where each District Commissioner votes for the State Commissioner; a meeting devoted to league eligibility for tournament play, as well as a complete review of all Babe Ruth Rules and Regulations for local league and tournament play; and meetings to review the special programs offered by Babe Ruth International Headquarters to address any District concerns and review possible policy and rule changes.
- Operating State Tournaments and working through his/her District Commissioners to make certain all leagues are eligible for tournament play.
- Presenting to the Regional Commissioner (the next level) for review all District concerns within his/her state in order that the state's recommendations are presented properly to Babe Ruth International Headquarters.

The Regional Level

The State Commissioner reports to the Regional Commissioner, of which there are eight. A regional organization consists of several states. A Regional Commissioner operates the Babe Ruth program

within each region according to the Babe Ruth Rules and Regulations and the program's policies and procedures.

The Regional Commissioner is responsible for:

- Assisting local league officials when needed or requested by District or State Commissioners.
- Holding one or two workshops per year where the operations of the region and the Babe Ruth program are reviewed thoroughly.
- Operating and administering the Regional Tournaments in conjunction with his/her Assistant Regional Commissioners.
- Presenting to Babe Ruth International Headquarters (the next level) for review any regional concerns and subsequent action.

International Headquarters

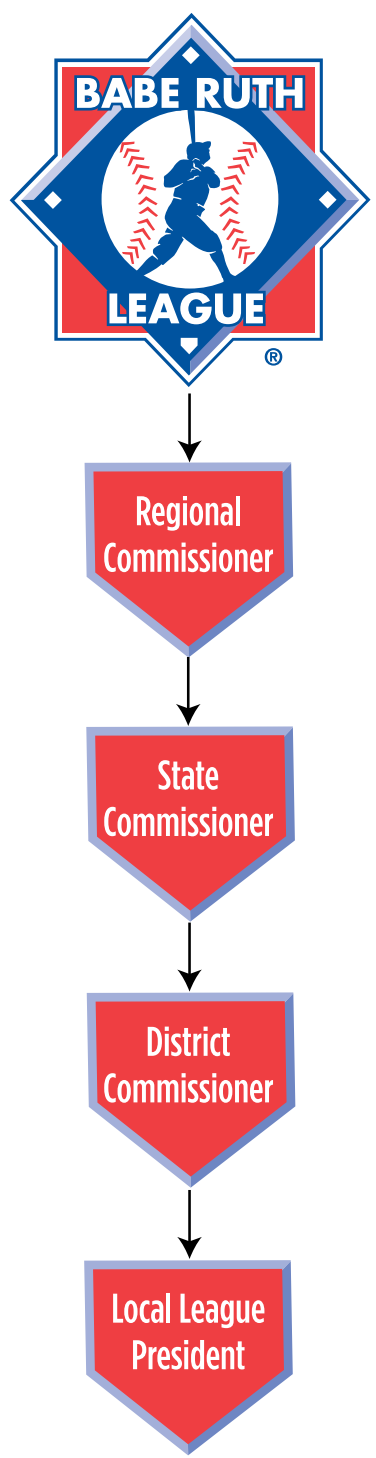

Elected by the Board of Directors is the President/CEO of Babe Ruth League, Inc. who leads the program's operation and administration. Full-time staff members (including the President/CEO) work with the program's volunteer network of over one million individuals to provide the very best educational, sports experience possible for participants.

The International Headquarters for the administration of Babe Ruth League, Inc. is located in Mercer County, New Jersey.

The Board of Directors

At the top of the chain of command is the Babe Ruth League International Board of Directors, including the President/CEO who directs the affairs and policies of Babe Ruth League, Inc. The eight Regional Commissioners serve as Board Members, along with eight "at-large" members.

BABE RUTH LEAGUE

GREAT FUTURES START HERE. DID YOURS?

Cal Ripken, Jr., Jimmy Rollins, Michael Jordan, Tom Selleck, Bruce Springsteen, Spencer Levin, Torii Hunter, Mike Piazza, Rob Gronkowski ... What do all of these people, and millions more, have in common?

They are all graduates and friends of a Babe Ruth League program.

While many have achieved particular distinction in fields such as entertainment, sports or business, the average alumnus/friend may not be famous. Most have achieved success by getting an education, raising a family, serving their country, pursuing a career or supporting their community.

Millions of kids have benefitted from participation in Babe Ruth League, Inc. since the first league was established in 1951. Babe Ruth League, Inc. has truly become a place of hope and opportunity for all young people ... male and female.

This is about welcoming you with an understanding of our mission, while tapping into the great resources that you and the other alumni and friends can provide.

Our Mission

The purpose of the Alumni Association is to advance the general welfare of Babe Ruth League, Inc. and to support the needs and mission of Babe Ruth League, Inc. through engaging alumni, friends and partners of Babe Ruth League, Inc.

We aim to help youth prepare to meet the challenges of adolescence and adulthood, as well as encourage their drive for personal excellence and achievement. Through special programs, activities, campaigns, scholarships and much more, the Alumni and Friends can help Babe Ruth League achieve these most important goals.

Why Join the Alumni Association?

- Because of the countless life lessons learned in between those white lines.
- Because of the friendships brought together and carried on for the rest of your life.
- You remember the moments of selfless acts of sacrificing glory for the good of the team.
- You remember getting so caught up in the game you nearly forgot to breathe.
- You look back fondly on your time involved with the Babe Ruth League program, whether as a player, manager, coach, commissioner or volunteer.
- And you would be especially proud to carry on the tradition of Babe Ruth League to make sure the program is available for generations to come.

Alumni & Friends ... Stay in the Game With the Babe Ruth League Alumni Association

The Babe Ruth League program began with a vision. Through group commitment, motivation and dedication, it has now become one of the leading youth baseball and softball programs in the world. The main goal will always remain the same ... TO PUT KIDS FIRST!

The Babe Ruth Alumni Association and Friends is a network of people who care and have a strong desire to succeed. Why? Because the youth of our country depend on us. That has been and will always be our driving force.

Contact the BRL Alumni Association at 1-800-880-3142 for further information!

We are asking all Babe Ruth League Alumni and Friends to Stay in the Game with the Babe Ruth League Alumni Association.

BABE RUTH LEAGUE

GEORGE HERMAN "BABE" RUTH . . . AMERICA'S BASEBALL LEGEND

Born: February 6, 1895 in Baltimore, MD
 Died: August 16, 1948 in New York, NY
 Height: 6'2" Weight: 215 lbs.
 Threw and batted lefthanded
 Married Clair Merritt Hodgson, April 17, 1929

When Babe Ruth left the game of baseball, the New York Yankees retired his number 3. He had become a legend and no one else could ever take the great Bambino's place.

Ruth grew up in St. Mary's Industrial School

in Baltimore. Taught how to handle a needle and thread, he was supposed to be a tailor, but Brother Gilbert suspected otherwise.

In 1914, he was signed by the Minor League Baltimore Orioles and shortly moved on to the Boston Red Sox before settling in New York with the Yankees. In a few seasons, it became clear that Babe Ruth was the best lefthander in the American League. But his dazzling record as a pitcher was soon eclipsed by his spectacular slugging.

Ruth broke record after record, each time setting new ones only he could equal. During his 22 year career, the Sultan of Swat hit 714 home runs, plus an additional 15 in World Series competition.

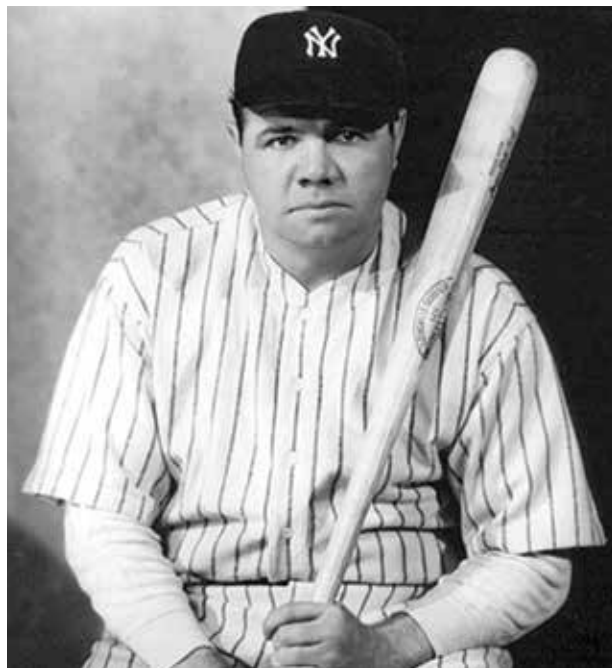

Babe Ruth gave baseball dozens of new records; but more importantly, Babe gave the game the warmth and color of his own personality. The Bambino singlehandedly launched big-time baseball into a new era of glory.

CAL RIPKEN, JR. - 2007 NATIONAL BASEBALL HALL OF FAME INDUCTEE

Cal played the game the way it was meant to be played — every day. He played a record 2,632 consecutive games, earning the nickname Iron Man. For this reason, fans and major leaguers from around the country admire and respect him. Cal, Jr. is one of just eight players in a history to amass more than 400 home runs and 3,000 hits. Selected to baseball's All-Century team, this two-time Gold Glove winner and 8-time Silver Slugger Award Winner, was a terrific all-around player. Twice the American League's Most Valuable Player, he and his fellow Oriole teammates made their hometown of Baltimore proud when they clinched the title of 1983 World Series Champions.

To top off a career that others can only dream about, on January 9, 2007, Ripken received the highest honor of recognition . . . election into the National Baseball Hall of Fame.

VERNON "LEFTY" GOMEZ AWARD - VOLUNTEER OF THE YEAR

This award was established in 1991 to recognize and to pay tribute to an outstanding volunteer in the Babe Ruth Program. This award is made in honor of the late Vernon "Lefty" Gomez, a twenty-five year member of the Babe Ruth League, Inc. Board of Directors.

EXPERIENCE

ABOUT BABE RUTH BASEBALL AND CAL RIPKEN BASEBALL, A Division of Babe Ruth League, Inc.

CAL RIPKEN DIVISION (4-12)

In April of 1987, Cal Ripken, Sr., Cal Ripken, Jr. and Bill Ripken took the field together—not as father and sons, but as manager and players. This was the culmination of a lifelong journey that took the Ripken family from the youth leagues to the major leagues. From the very beginning, it was evident that Cal, Jr. and Bill would follow in their father's footsteps, always listening and learning while Cal, Sr. talked about the finer points of the game. Cal Ripken, Sr. was a father figure and mentor not only to his own sons, but to a multitude of players and coaches.

As a player, coach, and manager in the Baltimore Orioles organization for over 37 years, he will be forever recognized with developing and teaching the fundamentals of playing the game of baseball the right way—"The Ripken Way."

Cal Ripken, Sr. passed on his ideals and passion to his sons: "The Ripken Way". The approach combines developing and strengthening the fundamental skills of baseball and athletic conditioning with the equally important virtues of work ethic, practice and an understanding and love for the game. Cal Ripken, Jr. and Babe Ruth League have always shared a common vision: To provide every youngster the opportunity to play baseball and have fun. Teaching them to play the game "The Ripken Way" will assure accomplishment of this goal. In 2000, Babe Ruth League, Inc. and Cal Ripken, Jr. came together to introduce Cal Ripken Baseball, A Division of Babe Ruth League, Inc. for baseball players 4 through 12 years of age.

ROOKIE LEAGUE

Dr. Bobby Brown, former President of the American League, with the help of Babe Ruth Baseball, established "Rookie Leagues"

throughout the nation in hope of getting more youngsters playing baseball.

Rookie League is designed for players seven through nine years old. A pitching machine is used to speed the games along using softer baseballs to help reduce the fear factor. There is a fourth outfielder and a fifth infielder and all twelve players on the roster are placed in the batting order. The games are six innings in length and are played on a standard youth field on sixty foot base lengths. The pitching machine is placed forty-six feet from home plate.

The program became part of the Cal Ripken Division in 1987 and has enjoyed steady growth.

The program gets high praise from coaches, players, parents and league officials. Accolades of "fantastic," "it's great fun," "my kids enjoy it," "players learn quicker," "very few players quit" are heard around the ball fields of the Rookie League.

For further Rookie League information, contact Babe Ruth International Headquarters.

13-YEAR-OLD PREP LEAGUE

In an effort to encourage more participation in the game of baseball, the International Board of Babe Ruth League, Inc. approved at the beginning of the 1976 season the use of the Babe Ruth Baseball 13-Year-Old Prep League.

Under the Prep League rules, the team rosters must be comprised of all 13-year-old players and shall consist of no fewer than 12 players and no more than 15 players. In order for the Prep League to be accepted by Headquarters, the local parent program must be a chartered Babe Ruth Baseball 13-15 League.

ABOUT BABE RUTH BASEBALL AND CAL RIPKEN BASEBALL, A Division of Babe Ruth League, Inc.

Studies have shown that many young players lose interest in the game of baseball because of not getting a chance to play in games once selected for an organized team. In addition, it has been found that players have expressed fear in competing with 14- and 15-year-old players who have already experienced one to two years playing on the standard 90-foot diamond.

With the Babe Ruth Baseball Prep League, the 13-year-old player now has that chance to play with his peers, thus avoiding the possibility of his losing interest in playing baseball. Babe Ruth Baseball also features a 13-Year-Old World Series.

13-15 DIVISION

Babe Ruth League, the group for 13-14-15 year old players, was founded in 1951.

Each local league chartered is an organization with authority to administer its own program within the framework of the Rules and Regulations and guidance of Babe Ruth League, Inc. officials.

Each state, province or territory in the 13-15 division is operated by an elected State Commissioner, and in most states, there are District Commissioners who assist the State Commissioner with his many duties. (Some states, with approval from Headquarters, also receive the assistance of Area Commissioners).

In turn, the states are grouped into eight regions with a Regional Commissioner to oversee the Regional operation. These Regional

Commissioners also serve as members of the International Board of Directors of Babe Ruth League, Inc.

Teams from each league are eligible to enter tournament competition and move along the tournament trail to the championship tournament—the World Series.

16-YEAR-OLD PREP LEAGUE

Babe Ruth Baseball in its efforts to continue to provide an ongoing learning process for its players, enters the twenty-sixth year of a Prep Program for sixteen-year-olds.

Under the league rules, the team rosters must be comprised of all 16-year-old players and shall consist of no fewer than 12 players and no more than 18 players. In order for the Prep League to be franchised, the local parent program must be a chartered 16-18 Babe Ruth League. The sixteen-year-old prep leagues' primary objectives are to keep the players involved in organized baseball and continue to learn and improve their baseball skills.

Without a sixteen-year-old Prep Program, most sixteen-year-olds receive very little game experience and eventually lose interest in baseball.

The 16-year-old division should open opportunities for leagues to add teams to their existing programs and more players to compete in tournament play.

16-18 DIVISION

16-18 Babe Ruth Baseball was born in 1966 and has increased steadily since its inception. The 16-18 division is designed to provide organized regulation baseball competition for 16, 17, and 18-year-old players as a development plateau where they can continue to learn and practice those principles which will help carry them through to a satisfactory and productive adulthood.

The 16-18 division was organized because Babe Ruth League, Inc. was aware its job was far from completed by providing for 13, 14, and 15-year-old players. No organization was making available similar opportunities for young players once they had surpassed the 13-15 Babe Ruth Baseball age. The 16-18 division was designed to fill a void much the same as the Babe Ruth 13-15 division had filled a similar gap when it became a reality in 1951.

In the 16-18 division, which is played under regulation baseball rules, can be found the opportunity to practice the ideals of sportsmanship, fair play, high morality and democratic spirit which the participant has learned at the 13-15 Babe Ruth level. The main objective of the 16-18 division is to provide a community-level program which eventually gives the players an opportunity to participate in the 16-18 World Series.

The 16-18 division has rapidly gained much attention and respect from college baseball coaches and major league scouts as an outstanding feeder program for future collegiate and professional baseball players.

BAMBINO BUDDY-BALL

Babe Ruth League believes that every child should have the opportunity to participate in baseball or softball. The Bambino Buddy-Ball League helps to make that dream a reality for physically and/or mentally challenged ballplayers.

With the help of a special "buddy" to swing a bat, round the bases or catch the ball, ballplayers are able to experience the thrills of the game.

The Bambino Buddy-Ball League is designed to foster confidence and self-esteem, make memories and have fun. An emotionally rewarding experience for all, "buddies" achieve satisfaction from their involvement while athletes benefit from the opportunity to participate in organized sports, physical fitness, and social events and outings.

BABE RUTH LEAGUE

2022 MEDIA GUIDE

ABOUT BABE RUTH SOFTBALL, A Division of Babe Ruth League, Inc.

Babe Ruth League, Inc. is a non-profit, educational organization dedicated to serving all youth, both boys and girls. Since its inception in 1984, Babe Ruth Softball has shown tremendous growth. It has become a premier softball program throughout the United States and Canada.

Babe Ruth Softball is designed for the girls ages 4-18. Age Divisions that are offered are 6U, 8U, 10U, 12U, 14U, 16U and 18U. Leagues are encouraged to organize optional 10U teams within the 12U division, and 14U teams within the 16U division, but are not required to do so.

The primary emphasis of Babe Ruth Softball is on the local league season: education, skill development, participation for players at all levels of athletic ability, and to ensure the participants have FUN.

Babe Ruth Softball's structural hierarchy evolves from the very heart of the program: the local league. Local leagues are organized into districts. Districts report to the State level. States are grouped into eight regions. Volunteer District, State, and Regional Softball Commissioners provide guidance and direction for the areas under their jurisdiction.

Leagues chartered with Babe Ruth Softball operate with simplicity, democracy, and much autonomy within the framework of Babe Ruth League, Inc. rules and regulations. Leagues are formed within defined and registered geographical boundaries. Dual-participation may be allowed at the local league's discretion. Babe Ruth League, Inc. places no undue restrictions on the local league, a fact that sets it far apart from all other programs.

A highlight of Babe Ruth Softball is its annual tournament trail. Tournament teams from each local league are eligible to participate in District competition with winners advancing to the State and Regional levels. In 1999, Babe Ruth Softball debuted its first 12U World Series and 16U World Series. Eight regional champions from across the United States and Canada compete in each World Series.

In 2015, the World Series was expanded to the 8U, 10U and 14U age levels, and the 18U age level was added in 2016. Teams will either earn a berth to the series in these age groups by being a Regional Champion or they will be winners of a National Qualifier that is hosted by the state they reside in.

The World Series format begins with pool play competition, followed by either a single or double elimination bracket to determine the World Series Champion.

2022 CAL RIPKEN 9-YEAR-OLD INVITATIONAL & 11-YEAR-OLD INVITATIONAL WORLD SERIES - TREASURE COAST, FLORIDA

Treasure Coast, Florida is proud to be the host of the 2022 Cal Ripken 9-Year-Old Invitational and 11-Year-Old Invitational World Series.

The pineapple is a recurring motif around Jensen Beach. The town's affinity for the spiny fruit can be traced back to 1879, when the first pineapple slips were planted by Capt. Thomas E. Richards at his Eden homestead. John Laurence Jensen immigrated from Denmark in 1881 and set up his pineapple plantation which eventually became the towns of Jensen and Stuart. A mere 14 years later, Jensen was shipping over 1 million boxes of pineapples each year during June and July earning the town, "Pineapple Capitol of the World."

Hard freezes, fires and financial problems contributed to the industry's final collapse in 1920, but the legacy of this tropical fruit lives on in the signage, store fronts and residences of Jensen Beach/Stuart. This unique history is celebrated annually during the Jensen Beach/Stuart Pineapple Festival.

Best Places to Eat:

Jensen Beach/Stuart continues to earn rave reviews as the premier dining destination on the Treasure Coast. In fact, numerous Jensen Beach/Stuart eateries appear in dozens of restaurant guides and reviews as "best places to dine". From the unique decors of our five-star restaurants to the relaxed atmosphere on a waterfront patio or outdoor café, Jensen Beach/Stuart restaurants offer a one-of-a-kind memorable dining experience. Ranging from All-American style plates, authentic Cajun dishes, fresh seafood, pizza, and contemporary cuisine, there is something to satisfy every taste and budget.

Best Places to Shop:

Jensen Beach/Stuart also boasts as the region's leading retail shopping destination. Our shops, gift shops, and boutiques each have their own personality and routinely carry "just the thing" you are looking for. From the Treasure Coast Mall, to downtown Jensen Beach/Stuart art galleries and boutiques, to the surf shops on Hutchinson Island, you'll be amazed at the variety of treasures that can only be found when you shop here in Jensen Beach/Stuart.

2022 CAL RIPKEN 10-YEAR-OLD WORLD SERIES - VINCENNES, INDIANA

In the winter of 1779, Col. George Rogers Clark marched a small army of soldiers across the flooded plains of Illinois and surprised a British garrison at Fort Sackville in Vincennes on the banks of the Wabash River. The British surrendered in what turned out to be the westernmost battle of the American Revolution.

Over 240 years later, Vincennes will again be a battleground of sorts when 10-year-old baseball teams gather to settle the 2022 Cal Ripken 10-Year-Old World Series. Like Clark's army, these teams will have endured much on their marches to reach Vincennes.

Following the Revolution, Vincennes continued to play an important role in American history. Indiana's oldest city served as the first capital of the Indiana Territory from 1800 to 1813. William Henry Harrison, who later became the ninth President of the United States, was the Governor of the Indiana Territory, and he lived in Vincennes from 1800 to 1812.

Today, Vincennes has become another capital of sorts—a capital of Babe Ruth Baseball. This year marks the seventh time that the city has been the host for a World Series. Vincennes Cub League first hosted the 12-year-old series in 1998. The 12's returned in 2001, the year that Cub League also

served as host for the inaugural Cal Ripken 10-Year-Old World Series. Cub League and Vincennes remain the only ones who have turned the World Series double play in the same year. The 10's returned for the 2004, 2007, and 2018 World Series.

Vincennes' historical legacy lives on with the impressive George Rogers Clark National Park, located along the river near downtown, and the Harrison Mansion, which is beautifully maintained on the campus of Vincennes University.

A third monument, a monument to baseball, is also in Vincennes. It's Joe Bilske, Sr. Field at Cub League. Bilske Field is one of the finest facilities for youth baseball to be found anywhere.

All is in readiness for another historical moment in Cal Ripken Baseball. Another champion will be crowned in Vincennes this August. The city is prepared to greet the special teams and their fans and families who will visit Indiana's first city for this exciting occasion.

2022 CAL RIPKEN MAJOR/70 WORLD SERIES - BRANSON, MISSOURI

In 2022, the All-American city of Branson, Missouri will host the Cal Ripken Major/70 World Series. All games will be played at Ballparks of America, Branson.

Babe Ruth League, Inc., the Branson Convention & Visitors Bureau, the City of Branson, and Ballparks of America, Branson, are teaming up to put together a big-league experience for the best 12-year-old baseball players in the world.

Branson, Missouri, located in the Ozark Mountains, has long been a popular destination for vacationers. There is an adventure awaiting everyone. In addition to the numerous theaters for which Branson is famous, other local attractions include award-winning golf courses, Hollywood Wax Museum, Silver Dollar City, White Water, Waltzing Waters, Wineries, Dolly Parton's Dixie Stampede, Ziplines, Cave Tours, National Tiger Sanctuary, Go-Karts, Mini-Golf, Horseback Rides, Butterfly Palace & Rainforest Adventure, and three pristine lakes. Ripley's Odditorium is housed in a building that has been made to look as if it is cracked wide open by an earthquake or other disaster, while the Titanic Museum Attraction is a half-scale replica of the famous ship and iceberg.

Ballparks of America, Branson is the only facility to feature 2/3 replicas of five iconic stadiums spanning the history of baseball. They are patterned after several classic ballparks, including Busch Stadium, Wrigley Field, Tiger Stadium, Fenway Park, and Ebbets Field. Each field features the latest technology in synthetic turf for a more consistent playing surface, and has covered dugouts, bullpen areas, MLB-style team suites, and stadium quality lights.

2022 BABE RUTH BASEBALL 13-YEAR-OLD WORLD SERIES - GLEN ALLEN, VIRGINIA

The 2022 Babe Ruth 13-Year-Old World Series will be held in Glen Allen, Virginia in August 2022. The Glen Allen Youth Athletic Association will be hosting this prestigious event. Games will be played at Glen Allen Stadium at RF&P Park.

Glen Allen Youth Athletics has been a quality, long-standing host location for Babe Ruth as previous hosts of four World Series, five Southeast Regionals, five State Tournaments and dozens of District Tournaments.

Glen Allen Youth Athletics was established in 1965 and has been affiliated with Babe Ruth Baseball and Babe Ruth Softball organizations from the beginning, currently celebrating their 57th year anniversary. The league offers year-round programs in softball, baseball, and basketball. Nearly 3,000 youth participate annually in Glen Allen's programs.

RF&P Park, opened in 1995, is situated on 53.5 acres and features seven ball fields, six batting cages, a football field, tennis courts, three concession stands, and four restored historic railroad cars.

It is located in historic Henrico County which was established in 1634 as one of the original eight counties of Virginia. In 2011, Henrico County marked its 400th anniversary as the second permanent English settlement in the New World. Henrico's location on the eastern seaboard places local businesses within just a few hours' drive of Virginia Beach, the Blue Ridge Mountains, and Washington D.C.

Glen Allen Youth Athletics is both proud and excited to host the 2022 Babe Ruth 13-Year-Old World Series. They are confident their hard-working staff of volunteers and the amenities the region has to offer will help to make your visit to their community a truly memorable one!

World Series Playing Dates: August 12-19, 2022

2022 BABE RUTH BASEBALL 14-YEAR-OLD WORLD SERIES - WILLISTON, NORTH DAKOTA

The 2022 Babe Ruth 14-Year-Old World Series will be hosted by Williston, North Dakota, and played at Ardean Aafedt Stadium.

Williston has the small-town charm that keeps visitors coming back. The city has served as past hosts for several other Babe Ruth World Series events, starting in 1980 with the Babe Ruth 13-15 World Series, followed by the 2003 Babe Ruth 13-15 World Series, the 2013 13-Year-Old and the 2016 13-15.

Ardean Aafedt Stadium is regarded as one of the finest amateur baseball facilities in the United States. Built in the early 1950's, the stadium has hosted numerous Babe Ruth Baseball District, State and Regional Tournaments. Upon entering Aafedt Stadium, you will find a baseball diamond perfectly manicured. The Boys Baseball Committee and Parks & Recreation have taken great pride in keeping the facility updated and are always ready to host teams from around the country. You will feel like you are in a professional ballpark when you visit Ardean Aafedt Stadium.

The City of Williston is nestled in the Northwest Corner of North Dakota, Located 60 miles from the Canadian border and 18 miles from the Montana Border. Williston is commonly known as the "Western Star" and is rich in western heritage. Williston was one of the stopping points during the famed expedition of Lewis & Clark.

Williston also is the home of the famous Fort Union Trading Post and the Confluence (where the Missouri and Yellowstone Rivers meet).

Upon your visit to their fine state, you will see firsthand their busy farms that produce a lot of the foods we all eat on a daily basis. In addition to Energy and Agriculture, Williston and Western North Dakota is an outdoorsman dream. They have a large amount of Wildlife. They boast about the finest deer hunting you will find in the region along with the best game bird hunting regions in the entire United States. Lake Sakakawea, located 16 miles east of Williston, is the largest man-made lakes in the country and is regarded as one of the premier walleye fishing lakes in the world.

The residents of Williston are very anxious for your arrival. They all are prepared to show you why Williston and North Dakota is truly one of the "hidden treasures" of the United States. They encourage all of our visitors to this year's World Series to take advantage of all of their "regional wonders." You will see why they are so proud to call North Dakota home!

BABE RUTH LEAGUE

2022 BABE RUTH BASEBALL 13-15 YEAR-OLD WORLD SERIES - STAFFORD, VIRGINIA

The 2022 Babe Ruth 13-15 World Series will be hosted by Stafford, Virginia. Games will be played at Chichester Park and FredNats Stadium.

Chichester Park is Stafford County Park and Recreation's newest baseball sports complex featuring five baseball/softball fields. The complex is home to the Stafford Babe Ruth League, which serves nearly 1,000 youth from Stafford County, Fredericksburg, Spotsylvania, King George, Eastern Prince William and Fauquier County each season playing Cal Ripken Baseball, Babe Ruth Baseball and Babe Ruth Softball.

FredNats Stadium is a brand new, state-of-the-art stadium and is home to the Fredericksburg Nationals. The Fredericksburg Nationals are a minor league affiliate of the Washington Nationals in the Low-A East League.

Historic Stafford County is located about 40 miles south of the nation's capital, 10 miles from downtown Fredericksburg and 60 miles north of Richmond, Virginia. It's easily accessible from major national and international airports and also has its own regional airport, Stafford Regional Airport. Conveniently, Interstate 95 runs north to south through the county and passenger rail transportation is available via the Virginia Railway Express and Amtrak with multiple local stations.

Stafford County was formally established in 1664 and was the location of George Washington's boyhood home. During the Civil War, Stafford was a logistical and transportation center, and a staging ground. Chatham Manor, which is still standing today, was utilized as a Union headquarters and hospital.

The Marine Corps Base Quantico was established in 1917 in Stafford. Situated on 547 acres of Quantico is the FBI Academy. The FBI Academy is dedicated to being the world's premier law enforcement learning and research center.

The city of Fredericksburg sits on the Rappahannock River. Fredericksburg is known for its Civil War history and is home to four battlefields.

Downtown Fredericksburg features a 40-block National Historic District with more than 350 original buildings from the 18th and 19th century. There are over 100 shops, chef-owned restaurants and boutiques in the downtown area.

The Stafford Babe Ruth League has served as host to many Babe Ruth District, State and Regional tournaments.

Stafford is honored that Babe Ruth League has put their trust into their league and appreciative to the local leaders in both Stafford County and the City of Fredericksburg for their commitment and support. They are also excited about their continued partnership with the Fredericksburg Nationals and their commitment to the Stafford Babe Ruth League and youth sports.

Many individual volunteers and local businesses are taking part in this event to ensure a fun and memorable time for all.

2022 MEDIA GUIDE

2022 BABE RUTH BASEBALL 16-18 YEAR-OLD WORLD SERIES - EPHRATA, WASHINGTON

The 2022 Babe Ruth League 16-18 World Series will be played at Johnson O'Brien Stadium, located at Ephrata, Washington High School. Johnson O'Brien Stadium is considered by many to be the finest high school baseball facility in the state of Washington and has been the center of much of the baseball success in the Columbia Basin.

Ephrata is the gateway to the Columbia Basin, featuring natural beauty, abundant wildlife, and historical wonders. Sunshine abounds and friendly faces are everywhere. There are a tremendous amount of fun and exciting activities going on at all times in the Basin area.

Located in Ephrata, a walk through the past can be found at the Grant County Historical Museum and Village. Situated on 3.75 acres, the museum has a complex of buildings, historic settings, colorful displays and objects that will fascinate even the youngest in your family. The museum provides you with the opportunity to actually enter the buildings and experience what the pioneer life of a bygone era was all about.

Enjoy the sunshine at Ephrata's Splash Zone. Waterslide, diving boards, picnic area, play area, concessions and more.

Ephrata also has several miles of walking and biking trails and hosts a number of public parks, where camping, hiking, skiing and fishing can all be enjoyed within the Columbia Basin.

The community is also a short drive from many of the main attractions of the Columbia Basin, including:

• The Gorge Amphitheatre, a 20,000-seat concert venue located above the Columbia River gorge. It is considered one of the premier and most scenic concert locations in North America and the world.

• Grand Coulee Dam is truly magnificent to behold. Built from 1933 to 1975, it is 550 feet tall, from the 500-foot-wide polished granite base to the 30-foot-wide crest which supports a paved two-lane road, and nearly one mile long.

• Dry Falls - As the name suggests and carved by the Ice Age floods, Dry Falls no longer carries water. It is the remnant of what was once the largest waterfall known to have existed on earth. Viewing the 3.5 miles of sheer cliffs that drop 400 feet, it is easy to imagine the roar of water pouring over them.

• For those looking to get in a few holes, Grant County has several golf courses close to Ephrata.

With a variety of retail shops and specialty stores, Ephrata offers a fun and unique shopping experience. From the local candy store to the used bookstore, to the jewelry shop, there is sure to be something that strikes your fancy.

Enjoy the taste of many different cuisines from Ephrata's local bistro to great family-friendly pizza restaurants. Whether you're in the mood for steak, pizza, Asian food, sandwiches, salads, soups or wraps, there will surely be something for every palate.

The 2022 World Series organizing committee in Ephrata is happy to invite you to join them in August for not only the best of senior-level baseball, but to see one of the most beautiful areas in the northwest.

2022 SOFTBALL WORLD SERIES - TREASURE COAST, FLORIDA

Treasure Coast, Florida is proud to be the host of the 2022 Babe Ruth Softball World Series for all age divisions.

The pineapple is a recurring motif around Jensen Beach. The town's affinity for the spiny fruit can be traced back to 1879, when the first pineapple slips were planted by Capt. Thomas E. Richards at his Eden homestead. John Laurence Jensen immigrated from Denmark in 1881 and set up his pineapple plantation which eventually became the towns of Jensen and Stuart. A mere 14 years later, Jensen was shipping over 1 million boxes of pineapples each year during June and July earning the town, "Pineapple Capitol of the World."

Hard freezes, fires and financial problems contributed to the industry's final collapse in 1920, but the legacy of this tropical fruit lives on in the signage, store fronts and residences of Jensen Beach/Stuart. This unique history is celebrated annually during the Jensen Beach/Stuart Pineapple Festival.
